

### REMARKS

After entry of this amendment, claims 21 through 34 are pending. Claims 22 through 29 are withdrawn from consideration. Claim 21 stands rejected under 35 U.S.C. §102 as anticipated by published US patent application 2005/0049903 to *Raja*.

The amendment to claim 21 narrows the issues for appeal. In a telephone interview held October 20, 2008, the Examiner approved this amendment for entry prior to further proceedings on appeal.

Applicant wishes to thank the Examiner for the courtesy extended during the telephone interview. The Examiner's interview summary mailed October 22, 2008 is correct and complete, except for noting the agreement on the specific amendment to claim 21 discussed above.

Respectfully submitted,

Date: December 8, 2008
